Parents – we are dependent on 4-H volunteers to organize and run this annual event. We rely on several clubs to bring in their experience to make this day a success. If you have any questions or concerns, please speak with the adult in charge of that rotation or the King City Rural club coordinators. Your member will receive directions on each activity as they rotate every 15 minutes with a tour guide.

You are welcome to stay and enjoy the activities! PLEASE be respectful of the youth in the contest areas. If your member chooses to be a part of a judged contest, please DO NOT provide answers or offer coaching. If your member just wants to try the contest activity and not be judged, you are welcome to explore the contest area and help your member later.

The event is open to primary age members (Cloverbuds). However, a parent/guardian must stay with the Cloverbud for the entire event.
