This committee ensures new recognition and competitive programs follow the principles of positive youth development, are open and fair to all, and meet the needs of youth in the county. \$400.00 is the overall budget. The subcommittee listed below would possibly use a small amount for refreshments for the volunteers. (ie \$25- to \$30)

Club 3 County Record Book Star Rank verification (July or August) The Star Rankings is a voluntary advancement program utilizing the Personal Development Report form, part of the 4-H member record book, as a goal setting tool, aimed at encouraging broad-based participation and achievement in the 4-H YDP. This committee meets with County Staff to review all submitted books, complete paperwork and compile results of Star Ranks earned for the year. Committee work is defined in conjunction with the 4-H Council and 4-H staff. Committees are expected to develop annual plans of work which include:

- Time lines of needed volunteer work

MONTEREY COUNTY 4-H COUNCIL

- Dates of events/functions
- Development and review of expected definitions. This may also include applications, promotional and outreach materials
- Working within a Budgets
- Giving reports at Council meetings

Committees draft their annual plans of work and present them to the 4-H Council for input and approval BEFORE taking action or implementing the plan of work. Committees gather input for their plans of work from meeting minutes and suggestions of the 4-H community, Council and/or 4-H staff. Committees should coordinate all activities through the 4-H Council and the 4-H staff. County 4-H YDP staff and the County Director have final authority for the administration and operation of the county 4-H program.

The role of the Monterey County 4-H Council committees is to provide leadership by developing and implementing meaningful work for the youth. While committees work in partnership with the 4-H Council and 4-H Youth Development staff, the bulk of the decision making, planning and implementation lies in the hands of the committee. This structure allows for adult and member involvement in crafting the programs and management strategies to best serve the needs of the 4-H community. All committees must adhere to the mission, core values and policies of the University of California 4-H YDP. When possible, senior youth members should be appointed committee chairs.

Your club received a white binder with information to help get your club started. It will also be a place to keep and save information for the future of this committee. We appreciate your continued support of the local work 4-H work.

Thank you,

BOWL-A-RAMA 2019

- Saturday January 12th from 12:30 -3:00
- 54 members attended.
 - Attendance was lower this year, probably due to Fair animals being picked up by clubs this time of year. Not sure how to improve attendance with busy animal time in early January, and without scheduling it too close to Fantastic Field Day in February
 - This event is usually held 1st weekend in January, but kids did not return from Christmas break until AFTER the 1st weekend, which is why we chose the 2nd weekend instead.
 - We had a good response via online RSVP – 75% of the attendees RSVP'd via email, and the rest were walk-ins:

▪ SB4H	21
▪ Hilltown	12
▪ BV	2
▪ KCBR	3
▪ KC Rural	5
▪ Mission	4
▪ Greenfield	1
▪ Lockwood	3
▪ Natividad	2
▪ Spring	1
- Cost:
 - A bit higher this year, but still under the \$400 budget
 - Total spent: \$270.52
 - Prizes included gift cards + candy (for 1st & 2nd place JR/SR teams & high score JR/SR bowlers), candy only for 3rd place JR/SR teams and lowest overall score team
 - Gift Cards were for Starbucks – available in every city of every club
 - We increased the gift card amount for 1st place teams from \$5 to \$10 for each member on team (5 members per team.)
 - 2nd place teams received \$5 for each member on team (5 members per team)
 - High Score JR & SR individual members received gift cards for \$12.50/each
 - We also recognized Rod Ichikawa with a \$25 gift card for his tremendous help in organizing teams, helping with score cards and being present the entire time to help with anything we needed.
