Enrich our 4-H Program

Through efforts to produce excellent food for our customers from year to year, over the past 40 years we have profited over \$250,000 to benefit Monterey County 4-H. Food sales and service at this booth during MCF is the primary source of income for Monterey County 4-H. We are further supported by sponsorships. While Clubs do not have to donate, we welcome funding from any Club that wants to provide a donation – just ask us to send you a sponsorship letter.

Appearance Matters

Think about the businesses you frequent – do you have greater respect for the staff when they look like they are prepared to greet and help customers? When you represent 4-H at Clover Café, you give and impression about what 4-H is all about. Make sure to put a smile on your face, be clean and well groomed, and give a positive representation of 4-H. Show pride in who you are and what you represent.

Take Pride through Commitment

When you volunteer, you not only help make the Clover Café a success, you are making the best better. You are fulfilling the 4-H pledge to your Club, your community, your country, and your world. You are learning to represent yourself to your best ability, showing the community who 4-H members are, and improving your life skills – overall you are becoming a better, more-rounded citizen.

Learn by Doing

By following the guidelines set for Clover Café, you learn what it takes to run a successful business. You will learn about safe food handling, consistent food preparation, and beneficial customer interaction. You will learn that your appearance and attitude have an impact on peoples' devotion as loyal customers.

Be and serve your best so that people want to come back for more.

New and Improved

Morning Express will be offered by King City Rural 4-H on Thursday and Friday from 6:30 - 7:30 AM. A limited menu of burritos, donuts, and drinks will be sold. If all items are gone before 7:30, the Cafe will close.

We will promote **Clover Friends** to raise funds in support of 4-H programs in Monterey County. Patrons may give donations for paper signs with clovers that will be hung in the King City Room.

Operating procedures will be on site for all positions, including a barbecue crew binder. Food scales will be used to ensure consistent food prep. All meat will be cooked and sold on the same day (no need to cook and store meat for the next day).
