# CLUB NEWS

The Mission 4-H Club was very busy this past Christmas Season with community service projects. The members decorated the Mission Community with Christmas Bows on mail boxes and sang Christmas Carols at Eden Valley care center in Soledad. Other community services were gathering non perishables for the Christmas basket for families in need in our area. For fun the members enjoyed a gift exchange and small Christmas party after their meeting.

## BOWL-O-RAMA REPORT

by Amy Hughes

The third annual Monterey County 4-H Bowl-O-Rama was held on Jan. 7th at the Valley Center Bowling Alley in Salinas. This event is organized by the King City Blue Ribbon 4-H Club. There were 50 bowlers from 6 different Monterey County 4-H Clubs.

Check-in time was at 12:30. Players paid \$10 and started their practice games. Everyone worked up an appetite and we got to eat pizza and drink soda before the real competition began. At about 1:30, teams were made. There were 5 teams in the Sr. Division, which was 8th grade and up, and 5 teams in the Jr. Division, which was 2nd to 7th grade. There was also one parent team.

After 10 frames were bowled, the scores were calculated and the winners were announced. In the Sr. Division, Chualar 4-H came in first with a score of 460. KCBR 4-H had three teams that came in 2nd, 3rd, and 4th with scores of 385, 365, and 312. Winning the Boobie prize was a team made up of members from Lockwood and Mission 4-H clubs, 288. There was a tie for the highest individual score in the Sr. Division. Both Mason Rianda (KCBR) and Bradley Daoro (Chualar) bowled a 127 and won a big medal and a Myo yogurt gift card. Congratulations to all our Sr. winners.

In the Jr. Division, KCBR 4-H Team A placed first with a score of 413, and KCBR 4-H Team B won 2nd with a score of 382. Just one point behind them with 381 was a combo team from KC Rural 4-H and Mission 4-H. They placed third. Buena Vista 4-H came in 4th with a 370 score. KCBR 4-H Team C won the Boobie prize with a score of 314. High point individual winner in the Jr. Division was KCBR's Kevin Randall with 142. Congratulations to all the winners.

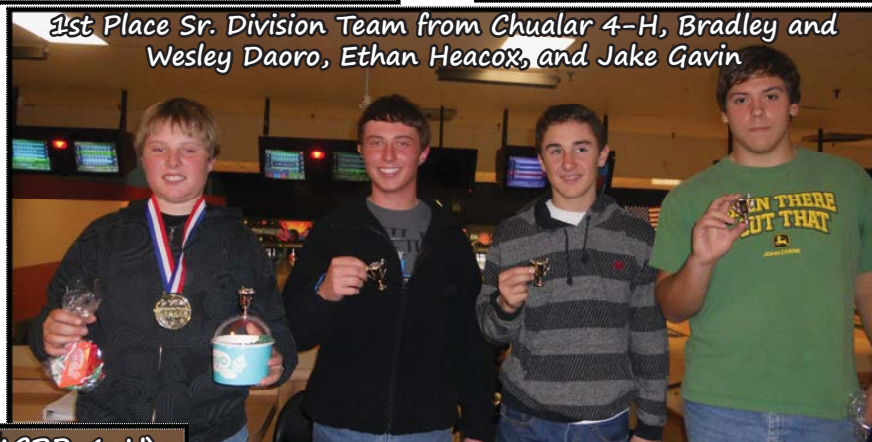

Everyone had lots of fun and we hope more members join us next year. Special thanks to Valley Center Bowl for accomodating us and giving us free bowling cards that were used as prizes and to the 4-H Council for covering the cost for this event.

### MONTEREY COUNTY PRESENTATION NIGHT 2012

Friday, March 2 at 6 p.m. at La Gloria School in Gonzales  
 Hosting and BBQ (5:30 p.m. - 7:30 p.m.) provided by Gonzales 4-H

What is Presentation Night? Presentation Night is one of the most important learning experiences that a 4-H member can participate in and it's a lot of fun too! It provides an opportunity for members to demonstrate a prepared presentation and polish their public speaking skills. Members are encouraged to relate the presentation to their current 4-H project work or 4-H activities. All members from 5-19 years old may participate in Presentation Night. Primary or mini-members (5-8 year olds) will receive participation certificates only. Regular members 9 years of age by December 31 or in the 4th grade, through 19 years of age are judged using the Danish system (gold, red or blue). Everyone will receive comment sheets from the judges to help them improve their presentation skills. Members who are awarded a Gold Medal may elect to continue onto the Sectional Presentation Day in the spring (tba). If a Gold Medal is awarded at Sectional Presentation Day, winners may advance to the state level competition May 26 at the University of California Davis.

Registration forms, volunteer forms and the Presentation Manual are available on the County Website: <http://cemonterey.ucdavis.edu> under events.

**COUNTY PRESENTATION NIGHT REGISTRATION** is due Friday, February 24 by 5:00 p.m., one full week before the event to properly prepare. No late registrations will be accepted.

To all parents, Leaders, and intermediate and senior members – we really need volunteers to help in three ways; being a judge in a room, being a tabulator or a room monitor. Your assistance really makes the night go much smoother and quicker! To volunteer fill out the form on the county website or call Wendy at 759-7386.

BBQ – From 5:30 – 7:30 p.m. Gonzales will provide a BBQ and Bake Sale.

# **ASSOCIATE DIRECTOR UPDATES by Shannon Dogan**

For the last several months we have been discussing the five youth development practices or supports and opportunities that young people should experience in all major settings in which they spend time, including 4-H. These five supports and opportunities include: 1) safety; 2) supportive relationships; 3) meaningful youth participation; 4) community involvement; and 5) skill-building activities.

This month our focus is on community involvement. Community involvement means that young people:

- Build knowledge of the community beyond the program.
- Have a change to give back to the community.
- Experience a sense of connection to a larger community.

Community involvement becomes service learning when the community service is combined with purposeful skill building. Through service learning activities young people explore community issues in-depth, create and initiate a plan to address the need, partner with others in the community, and reflect on and evaluate the process and experience.

Here are four things you can do now to increase community involvement:

1. Provide opportunities for young people to get to know their community. For example, invite a speaker from the community to come to your meeting/program, go on a field trip and explore local cultures and communities.
2. Encourage community members to be involved with your program.
3. Ask young people what they would like to change or improve in their community and support them in the development of a plan.
4. Join the Revolution of Responsibility and apply for \$1,000 to carry out a service learning project in your community – for more information visit <http://www.ca4h.org/Support/RofR/>

Community involvement is associated with healthier development over time. Young people who are involved in their communities, feel a sense of connection to their community, and are more likely to be involved in their communities as adults. Thus, it is important that we provide intentional opportunities for community involvement in our program.

UC Graduates Needed for Panel

Are you a University of California graduate? Would you be willing to share your “Path to UC” with 4-H members? As part of the new 4-H Pathways to your Future project, I am looking for UC graduates who are willing to be part of a panel discussion on Wednesday, April 18 from 7 to 9 Pm at Greenfield High School.

The goal of this panel is to share your story of how you got into UC and maintained your enrollment once you began your post-secondary education. I would like to have three to four members on the panel – especially those who took a unique “path” into UC such as going to community college first, entering UC after having

some “life experiences”, and anyone who used unique funding strategies to pay for their education.

UC alumni interested in sharing their path should contact Youth Development Advisor Lynn Schmitt-McQuitty at 831-763-8026 or [lschmittmcquitty@ucdavis.edu](mailto:lschmittmcquitty@ucdavis.edu) by March 20.
