What is a 4-H Presentation event?

Presentation Night is one of the most important learning experiences that a 4-H member can participate in and it's a lot of fun too! It provides an opportunity for members to demonstrate a prepared presentation in any area. Members are strongly encouraged to relate the presentation to their current 4-H project work or 4-H activities.

All members from 5-19 years can participate in Presentation Day. Members from 5-8 years will receive participation certificates only.

Members aged 9-18 are judged using the Danish System of Judging (Gold, Blue and Red). Everyone participating will receive comment sheets from the judges to help them improve their presentation skills.

Members that are awarded a Gold Medal may elect to continue on to the Sectional Presentation Day. If a Gold is awarded at Sectional you may advance to the State Level which is held in May at the University of California campus in Davis.

(A member does not have to compete in any of these events to fulfill requirements to achieve a Star Rank.)
