Bagrada bug meeting: First Announcement

Friday, December 11, 2015
9:30 AM to 3:00 PM

County of Monterey Agricultural Conference Center
1432 Abbott Street, Salinas, California 93901

This seminar will provide an overview of bagrada bug biology and management for both organic and conventional vegetable production. The presentations will cover the approaches taken by the researchers and strategies adopted or practiced by the growers to manage bagrada bug. The major goals of the seminar are to identify knowledge gaps and prioritize the shorter and longer-term research needs. The presentations can be viewed through a webinar and growers can interact with the speakers.

Organizers: Bagrada bug working group: California Department of Food and Agriculture (CDFA), California Certified Organic Farmers (CCOF), University of California Cooperative Extension (UCCE), University of California-Davis (UCD), University of California-Riverside (UCR), University of Arizona (UA) and United States Department of Agriculture (USDA).

Please pre-register . Sign-in is from 9:30 to 10:00 AM on 11 December 2015. There is no registration fee for this meeting. Lunch will be provided. Please call ahead (at least 24 hours) for arrangements for special needs; every effort will be made to accommodate full participation. For more information, contact Shimat Joseph (831-229-8985; 1432 Abbott Street, Salinas, California 93901).
