

Dear all,

Richard Smith, Daniel Hasegawa and I are putting together a ZOOM Webinar on April 22nd from 10am to 12pm to discuss the current status and research on INSV and Thrips in the Salinas Valley.

Go to the link below to register, fill up a survey and receive the ZOOM information

<http://ucanr.edu/survey/survey.cfm?surveynumber=29983>

Agenda:

10:00 am – 10:30 am Thrips biology, monitoring status and management

10:30 am – 11:00 am Assessing the impact of weeds on INSV incidence

11:00 am – 11:30 am Biology and control of weeds as alternative hosts for INSV

11:30 am – 12:00 pm Conclusions and answering questions

1.5 hours of CE hours have been requested to DPR.

Please, help me distribute this information among your colleagues and within your institution/company.

Looking forward to talking to you on the 22nd!

Alejandro Del-Pozo
